

Detailed directions to the **USATF Road Mile Championships**

The total distance from the entrance to **Marine Way** to the **Registration/Finish** line area is about **2.5** miles. When calculating travel time to the race be sure to add this extra distance.

If you are coming from the **405N** or **5N**, you will take exit **Sand Canyon Avenue** and turn **Right**. Almost immediately you turn **Left** on **Marine Way (Great Park)**.

If you are coming from the **405S** or **5S**, you will take exit **Sand Canyon Avenue** and turn **Left**. Almost immediately you turn **Right** on **Marine Way (Great Park)**.

You will go down **Marine Way** for **one half mile**. **Marine Way** ends after one half mile at **Perimeter Road**. There is a **Guard Shack (MARKER 1)**. Turn **Right** at the **Guard Shack** on to **Perimeter Road**. Permanent signs posted in the road indicate turning right takes you to the **RV Service Station, Drive Center, and the Second Harvest Food Bank**.

Perimeter Road will curve around to your left. After **0.60** miles, you will turn **Left** onto a small access road that leads onto the end of **Runway 7R (MARKER 2)**.

After about **500'** you will be on the end of **Runway 7R (MARKER 3)**. From this point on, you will always keep to the **Right**. You will stay on a small access road for about **1400'**, (**1/4** mile), then you will see a **round storage structure** on your right (**MARKER 4**). Follow the gentle bend of the access road to the **Right**.

After **0.60** miles, you will make a sharp, **Right, 90 degree** turn (**MARKER 5**). You will see an open **Hangar** on your right. The timing clock for the **1/2 Mile** marker is off to your left, at the intersection of the access road and Runway 34L.

After the sharp right hand turn, you will be traveling down an access road that parallels runway **34L**. Continue for another **1/2** mile to the **Registration/Finish** area (**MARKER 6**). If you are driving slower than 15 miles per hour, you may be passed by Elite runners on the course ready to run a **sub-4:00** mile!
